

Hello 5th grade families,

Thank you for completing the Student Data sheet. This will be helpful for your child's host families as they plan for our visit.

Following are directions to help facilitate the process:

- ✓ Please print or type. (You can write it in Japanese.)
- ✓ Please do not leave any space blank. If you have nothing to write, write "none" so that we know you did not accidentally miss it.
- ✓ Only choose one contact e-mail address that your child's host families can communicate to parents with.
- ✓ Write at least 3 or more items for each: Activities/Hobbies, Food likes and dislikes.
- ✓ Include (but do not attach) 2 photos (size 3.5 x 2.5) of only your child with your child's name on the back. If you have an extra wallet size school picture, it will work best.
- ✓ Don't glue the picture on the sheet. This sheet will be translated into Japanese and printed out with another form.
- ✓ Please return the form and 2 photos by November 30th to the envelope at school. There will be a large envelope in the classroom.

Thank you!
